CASE #TMT, (26658)

This is a male Vietnam era veteran (single) in receipt of VA pension. He was incarcerated from April to June of 2008. The VA had erroneous information regarding his incarceration that caused an overpayment with the VA.

In July of 2010, Thomas Ludka, Service Officer, visited the veteran while incarcerated in the Waukesha County Jail. Our office informed the VA at that time of the correct dates of incarceration. When the veteran was discharged from jail November 28, 2010, the VA still showed an overpayment.

The veteran was living in a tree house in his sister's backyard. Due to the cold weather, his ex-wife agreed to let him stay in her home for the month of December but would charge room and board in the amount of \$400. The veteran has applied to the VA CWT Work Program where housing will be supplied while the vet is being trained for employment. The veteran's overpayment was cleared December 7, 2010, but the processing takes a while and the vet will not see a VA check before the end of the month.

Ms. Wiesner is recommending the Commission approve the \$400 Room and Board to be payable to the veteran's ex-spouse.

Landlady \$400.00 (Account #010-382000-6553-J076-3803)

Mr. Kebisek made a motion to approve the recommendation. Mr. Luebke seconded the motion. The motion passed unanimously.
